

# Res till Fjällräven Classic med Trekkers Train

*Äntligen kan vi i Fjällräven Classicteamet stolt presentera nyheten Trekkers Train!*

Trekkers Train är ett eventtåg där du reser tillsammans med andra Fjällräven Classic-deltagare från Stockholm upp till Kiruna. Avgångar kl. 18 på Onsdag 9 aug samt Torsdag 10 aug. Tåget går även på hemvägen, då direkt från Abisko turiststation till Stockholm. Avgångar kl. 16.30 Onsdag 16 aug samt Torsdag 17 aug.

Ombord på Trekkers Train förbereder du dig för ditt vandringsäventyr tillsammans med andra deltagare. Med på tåget finns Fjällräven Classics värdar och speciellt inbjudna gäster som kommer bjuda på workshops, tips och trix inför din vandring. Vi återkommer med detaljerat program för resorna under våren.

Att åka nattåg är ett smidigt och hållbart resande där du bidrar till minskade klimatavtryck. Du väljer mellan sovkupé och liggkupé och kan välja att boka för ett helt sällskap eller en individuell plats. Du bokar och betalar din biljett till Trekkers Train i samband med anmälan till Fjällräven Classic och senast 31 mars. Därefter fördelas platserna på tåget och biljetterna skickas ut med e-post efter 31 mars från vår samarbetspartner Vy Tåg.

Vi har som avsikt att göra Trekkers Train till en återkommande möjlighet för Fjällräven Classics deltagare att ladda upp och varva ner tillsammans. Varmt välkomna till Trekkers Train 2023!

# Travel to Fjällräven Classic with Trekkers Train

*Finally, we in the Fjällräven Classic team can proudly present Trekkers Train!*

Trekkers Train is our event train where you can travel together with other Fjällräven Classic participants from Stockholm up to Kiruna. Departures at approximately 6 pm on Wednesday Aug 9 and Thursday Aug 10. After the finish you travel smoothly with the train back to Stockholm, departing directly from Abisko tourist station. Departures at approximately 4:30 pm on Wednesday Aug 16 and Thursday Aug 17.

Onboard Trekkers Train, you'll prepare for your hiking adventure alongside other participants. Fjällräven Classic's hosts will guide you on the train and specially invited guests will offer workshops, tips and tricks before your hike. A detailed program for the train trips will be published during the coming months.

To travel by night train is a smooth and sustainable journey where you contribute to a reduced climate footprint. You choose between sleeping car compartment and couchette compartment. You can choose to book for an entire compartment for your party or a single berth in a shared compartment. You book and pay your ticket/s to Trekkers Train when you register for Fjällräven Classic and at the latest on March 31. The train tickets will be distributed via e-mail after March 31 from our partner Vy Tåg.

We intend to make Trekkers Train an annual opportunity for Fjällräven Classic Sweden participants to upload and unwind together. A warm welcome to Trekkers Train 2023!
